EXPERIENCE

Associate Story Artist, 07/2020 to Present (Reference upon request)

Lucasfilm Animation – San Francisco, CA

- Pre-visualizing from script using Lucasfilm propriety software to create 2D and 3D storyboards for real scenes that are going to be shown in Disney+ series, *Bad Batch*.
- Prepared thumbnail sketches, provide temp voices, and collect visual references to ensure quality of storyboard panels and pitch boards to directors and story crew; makes revisions as required.

Director, 06/2019 to 06/2020

“First Born”, An Animated Short Film – San Jose, CA

- Collaborating with a team of artists to produce an animated short film.
- Contributed in creating story, storyboards, character designs, and animation.

Associate Story Artist, 08/2018 to 01/2019

Lucasfilm Animation – San Francisco, CA

- Pre-visualizing from script using Lucasfilm propriety software to create 2D and 3D storyboards for real scenes that are going to be shown in Disney+ series, *Star Wars: The Clone Wars*.
- Prepared thumbnail sketches, provide temp voices, and collect visual references to ensure quality of storyboard panels and pitch boards to directors and story crew; makes revisions as required.
- Go to story artist for complicated physical performance scenes and revisions.

Story Artist Intern, 05/2018 to 08/2018

Lucasfilm Animation – San Francisco, CA

- Learning Lucasfilm propriety 3D story/ previs software to create real scenes that are going to be shown in *Star Wars: The Clone Wars*.
- Completing a rigorous curriculum of test shots to learn how to shoot, stage, compose a shot, and compiling references for show sequences.
- Coordinated with directors closely and ensured compliance to storyboards objectives.
- Participated in story launch and editorial meetings.
